## “People before Party”

We have launched ACT as a party of independent Cuxton people who will contest the local Parish Council election on May 2<sup>nd</sup>. We believe that by putting party politics aside and working collaboratively together will result in the best decisions being made for our village.

If you are interested in knowing more about us or standing with us as a candidate, why not come along to our ‘drop-in’ sessions at the Social Club Hall on Thursday 28<sup>th</sup> February between 2-4pm or 6-8.30pm to find out more. No time then visit our website and Facebook page.
